I think it is very desirable that, with a view to give magisterial training to some of the Munsiffs as also to find an opening in the civil judicial line for law - graduates recruited to the third grade, two of the second grade Magistrates should be included in the Munsiff's cadre, and that in making proposals for appointments of Munsiffs, the claims of law graduates who have been appointed as third grade Magistrates from the bar may be asked to be taken into due consideration by the Chief Court. By Order,

Chief Secretary to Government.

*9. (a) If the views expressed by the Financial Secretary in any case, whether original or un-officially referred, are not accepted by the Member of Government in charge, or by the Dewan and Members of Council, as the case may be, the file containing the discussions shall be sent to the Financial Secretary a second time, in order to enable him, in cases in which he considers that the orders proposed to be issued are opposed to financial rules of Government or to recognised financial principles or for other reasons of a financial nature, are open to objection, to record a respectful representation to that effect, which will be placed by the Dewan before His Highness the Maharaja for consideration.

(b) All cases sent to the Financial Secretary under this rule should be treated as immediate and returned to the Department concerned within three days of receipt.

31) There is no financial objection. The scale of pay of the 2nd Grade Magistrates is Rs.250-25-450 while that of the Munsiffs is Rs.200-25-450. Under the proposed scheme two of the Special Magistrates included in the cadre of Munsiffs will draw a pay of Rs.200-25-450 while the rest will be on a different rate of pay.

Subject:—

Proposals for including two of the Special Second Grade Magistrates in the Munsiff's cadre.

35) The total number of Special Magistrates under the Judicial Separation Scheme is 29 and this number is distributed among 3 grades as follows:-

First grade	8
Second grade	9
Third grade	12.

36 2. In respect of the 8 appointments in the First grade, orders have already been passed with the approval of His Highness (G.O. No.678-88/C.B.56-25 dated 11th September 1925) allocating them to the Civil service, the civil judicial department and the purely magisterial cadre in the proportion of 4, 2 and 2 respectively.

37 3. Of the 9 places in the Second grade, 4 are reserved for Assistant Commissioners under the Civil Service reorganization scheme. As regards the remaining 5 places there is now no clear rule as to how they should be filled up. I therefore suggested, in my minute dated 6th January 1926, that with a view to give magisterial training to some of the Munsiffs (who may be posted as First Grade Magistrates when they are promoted as Sub Judges) as also to find an opening in the civil judicial line for law graduates recruited from the bar as Third grade magistrates, two places of Second grade magistrates might be included in the Munsiff's cadre and the remaining 3 places might be set apart for being filled up by promotion of 3rd grade Magistrates or by the appointment of Amildars or others whom the Government might consider fit for the place. The question was thereupon discussed at the meeting of the Council on the 18th January 1926 when it

Pages 3 x 4 of office Note

Page 5 of office Note

was decided that the Chief Court might be consulted in the matter. The Chief Court who were accordingly consulted have in their letter No.883/25-26 dated the 8th March 1926 stated that there can be no objection to the cadre of Munsiffs being raised by two for inclusion therein of two Second grade magistrate's places and that while filling up vacancies in the Munsiff's cadre they are prepared to duly consider the claims of law graduates recruited from the Bar as Third grade magistrates along with other persons fit to be appointed Munsiffs and give them preference, every thing else being equal.

38 4. The question was thereupon again discussed at the meeting of the Council on the 27th March 1926 and it was resolved that the proposals to raise the cadre of Munsiffs by two and include two of the Second grade magistrates ~~therein~~ in the cadre of Munsiffs and to give special considerations to the claims of law - graduates who have been appointed (as Third grade magistrates) from the bar in filling up vacancies among Munsiffs may be approved.

88/ Lr not no 0278/CS 236-25-6/ 15.7.26, these two magistrates have been ordered to be included in the Municipl cadre. If the date of appointment as Municipls is taken, as the basis these two officers will have to be given the last places, below mr: B. Lakshmanaguna jois. By so doing these two officers who are senior officers in the special second grade magistrates' cadre, will lose their chances of promotion in the magisterial cadre and their chances in the Municipl cadre also become very remote.

89/ If the date of their confirmation is taken as the basis, their ranks will have to be fixed just below mr. T. Shama Iyengar and above mr: B. Ramanna. Even if this is done, their position does not improve as they become the 19th and 20th in rank.

Sub for orders on the proposals. The Chief Cashier may perhaps be called for in the matter - yes. As a matter of fact, the question is pending before the Chief Court

1006 The Chief Court propose to place Messrs Abdur Rahim & Krishnamurti who were recently included in the Munsiffs' Cadre, below the last of the permanent Munsiffs. This was the principle adopted in Mr Krishnama Chari's case when he was taken over as Sub-Judge. The practice in other Depts in similar cases has been the same. For example, in the Secretariat. A look into the gradation list will show, that there are a number of officials drawing lesser pay placed above those drawing a higher Salary. Those drawing a higher salary were brought into the Secrt from outside in the majority of cases & they were placed below the permanent officials of the Secrt. In many instances, their Confirmation in the Secrt was depended also on the same principle.

1011 Another instance of a similar arrangement of ranks can be seen from the old civil lists. When Munsiffs were taken as Asstt Commissioners (to work in the Secrt for example) they were placed last in the list of Asstt Commrs irrespective of the pay they were drawing; and the excess over Rs 250/- (the minimum pay of an Asstt Commr

was treated as personal allowance. Mr. Mahadevayya was treated. Mr Srinivasa Iyer was another case. On principle this seems to be the only justifiable way.

10 As regards magistrates, they have firstly no claim to get into the Civil Judicial line (as much claim as they can frame to become Court Canvas.) The orders as they stand make it impossible. Like the non-Civil Service men, they may have to end as first-grade magistrates. No thing else was promised to them & they cannot ~~have their~~ or have any real grievance, having entered Service as magistrates with eyes open, as to future prospects. If Govt want to do something for them, let there be places created ~~for~~ & given to them of Distt Magistrate. They may not, as a matter of right or otherwise claim to get into the Civil Judicial line & on the top of that to claim to a rank in that line, on the pay they may be drawing. As an argument it may be urged that they may be appointed Asstt Collectors & similarly placed above the others. ~~How~~ The Civilians ~~Officials~~ certainly claim that they may be placed last in the list.

10½ The decision of the Chief Court is therefore not quite so unfair

116 Messrs Abdul Rahim and S. Krishnamurthy have both of them put in representations requesting that they may be given a higher rank in the cadre of Munsiffs than the one proposed by Govt.

(19) Orders of the 17-11-1919 lays down that the members of the Bar directly recruited as 2nd and (?) grade magistrates will be eligible to be transferred for civil judicial work as Munsiffs and Subordinate respectively. This does not mean that they will be given a higher rank to the prejudice of those who have been appointed as Munsiffs. The order G.O: 1959-60 / Ch 26-25-4 dt 26-12-1925 fixing the place of Mr. B.B. Krishnamachari in the cadre of Subordinate lends support to this view. Hence it is submitted that the case of Mr. Abdul Rahim is not the same as Mr. Krishnamurthi's as represented by him and he cannot perhaps be included in the cadre of Munsiffs above the permanent Munsiffs on the date of the order appointing him as a Munsiff.

(20) The case of Mr. S. Krishnamurthi is somewhat different. He is one of those who have passed the competitive examination and he stood 5th in the list of candidates who passed in the exam. His contention is that all those who have passed the competitive examination have all been appointed as Munsiffs in the order of their rank in the

Registrar, Chief Court of Mysore.

To

B. Nagappa, Esq., Bar-at-Law,
Secretary to Government,
Local & Legislative Departments,
B a n g a l o r e.

Sir,

I am directed to acknowledge the receipt of your letter No.P.4644/Cts. dated the 28th February 1925 and the subsequent reminders thereto, in the matter of taking over Messrs. Abdul Rahim Ganjami and S. Krishnamurti, Special - 2nd Grade Magistrates, to the civil Judicial line.

2. In reply, I am to invite your kind attention to my confidential D.O. No.R.O.C.1436/23-24 dated the 27th -- June 1924 with which was forwarded the Minutes of the Judges of the Chief Court, containing their opinion regarding the - interchangeability between Munsiffs and 2nd Grade Magistrates, and also to confidential D.O. No.R.O.C.1436/23-24 dated 25th July 1924, containing further representations of the Judges - in the matter, to the latter of which the Chief Court has not been favoured with a reply.

3. In my D.O. dated the 25th July 1924 it was represented that with a view to strictly meet the requirements of the Mysore Civil Courts Regulation, which contemplated a - nomination to be made as each occasion arose, it would be sufficient if cases of law graduates recruited from the Bar to the special 2nd Grade Magistracy, were taken into consideration at the time of nomination along with other candi-

dates

candidates, whenever such vacancies arose.

4. I am to observe that the Judges find it difficult to express an opinion regarding the taking over of individual officers from the magisterial line as Munsiffs when the general question of interchangeability is pending decision, and consider that the raising of the question in individual instances is likely to affect the general issues. The taking -- over of particular officers from the magisterial to the civil judicial line will in effect, at any rate partially, result in an interchange without a solution of the general question. The Chief Court, in the interest of efficiency, would respectfully --- suggest that a definite decision may be arrived at regarding the principles of interchangeability among those officers before cases of individual officers are considered or suggested. The Judges are of opinion that the practice of interchanging officers in the criminal and civil judicial lines has to a large extent prejudiced the prospects of civil judicial officers, having regard to the very few number of higher appointments open to them and the chances of their being filled up by direct recruitment from the Bar. They feel, that in order to maintain the efficiency, contentment and integrity of the subordinate civil judiciary, there should be adequate safeguards before the principle of interchangeability is given effect to.

5. The Judges will be glad to help Government with their views and experience in arriving at an equitable solution of the question, pending which they would respectfully suggest the desirability

6

of keeping in abeyance the transfer of the two judicial officers above referred to, to the civil judicial line.

Sir,

I am directed to acknowledge the receipt of your letter No.P.3690/Cts. dated the 27th January 1926, proposing to include two of the 2nd Grade Magistrates in the Munsiffs' cadre, provided that the Chief Court, in making proposals for appointments of Munsiffs, agree to take into due consideration the claims of law graduates appointed as 3rd Grade Magistrates from the Bar.

2. In reply, I am to state that this proposal cannot be said to be altogether unconnected with the larger question of interchangeability between Munsiffs and Special Magistrates, regarding which I am to invite reference to my letter No.R.O.C. 1436/23-24 dated the 25th July 1924 and to my confidential D.O. No.1436/23-24 dated the 27th June 1924 forwarding a Minute by the Judges in the matter.

3. Apart, however, from the general question of interchangeability, regarding which Government Orders are awaited, I am to observe that even at present there is no disinclination on the part of the Chief Court, when making nominations, to give prominent and full consideration to the claims of Special

Second

Second or Third Grade Magistrates who, in the opinion of the Judges, satisfy the standard of attainments and qualifications, legal and practical, expected by the - Chief Court, of candidates for the appointments of - Munsiffs. So far as the present proposal is concerned, I am to state that the Chief Court has no objection to the cadre of Munsiffs being raised by two and two of - the 2nd Grade Magistrates being included therein. I am to add that the Chief Court has also no objection to take into due consideration, whenever a vacancy should arise in the cadre of Munsiffs, the claims of law graduates who have been appointed as 3rd Grade Magistrates from the Bar, along with other persons fit for being appointed as Munsiffs and <u>everything else being equal</u> the Chief Court would be quite prepared to give their claims the preference.

Registrar, Chief Court of Mysore.

To

P. G. D'Souza, Esq., B.A., B.L.
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
B a n g a l o r e.

Sir,

I am directed to forward herewith for consideration and orders of Government copies of representations submitted by Messrs. B. Ramanna and U. D. Narayana Murthi, Munsiffs, and to state that Government Order No.P.278. Cts.-236-25-8 dated 15th July 1926 which directs that Messrs. Abdul Rahim Ganjami and S. Krishna Murthi, Special Second Grade Magistrates will be included in the Munsiffs' cadre, has not fixed their relative rank with reference to existing Munsiffs.

2. The Judges are of opinion that in accordance with the view accepted by Government, in Mr. B. R. Krishnamachar's case, Messrs. Abdul Rahim Ganjami and S. Krishna Murthi should be placed in the Munsiffs' cadre just below the officers who had already been made permanent as Munsiffs prior to the date of Government Order referred to above and that they should therefore take rank immediately below Mr. Lakshminarayana Jois (Munsiff provisionally permanent). The excess of pay drawn by Messrs. Abdul Rahim Ganjami and

S. Krishna Murthi over and above that of a last grade permanent Munsiff, viz., Rs.200/-, might be converted into personal allowance to be eventually absorbed in accordance with the Service Regulations. I am to observe that to place the Special Magistrates in question above the permanent Munsiffs will give the latter reasonable cause for grave discontent and it is considered that the position and seniority of the former in the civil judicial cadre should be graded as from the date of their transfer to it from the purely magisterial cadre.

3. In taking the above view, the Judges are not unaware that when these two Magistrates reach in due course their maximum salaries as Munsiffs, and become thereby eligible for Subordinate Judge's appointments, they will not ordinarily get Subordinate Judge's places until the last of the present permanent Munsiffs gets it. Such a hardship may possibly be avoided, especially in the case of persons recruited from the Bar, if the seniority of the Magistrates and Munsiffs in the respective cadres to which they are transferred is fixed with reference to the dates of their permanent appointments as Second Grade Magistrates and Munsiffs, particularly as Government have assigned the same status to both these classes of officers. The Judges feel that this suggestion will involve a departure from the principle on which Mr. B. R. Krishnamachar's place was fixed in the Civil Judicial Cadre, and that, furthermore, till a consolidated Scheme unifying the Civil Judicial and Criminal Judicial Cadres is framed, it may not be practicable to absorb Special Magistrates into the Civil Judicial line except on the principle stated in para 2 above.

4. Finally, I am to add that in fairness to the Special Magistrates in question, option may be given to them to revert as Magistrates, should they feel dissatisfied with the rank proposed to be assigned to them.

I have the honour to be,

S i r,

Your most obedient servant,

REGISTRAR.

TMN/2

Copy of representation submitted by Mr. U. D. Narayana Murthi, Munsiff, Seringapatam, to the Registrar, Chief Court of Mysore, Bangalore.

I learn from the last issue of the Gazette that Messrs. S. Krishna Murti and A. R. Ganjami have been included in the cadre of Munsiffs. It is not clear, however, what their place in the cadre will be. As Magistrates they have been confirmed with effect from a date which was earlier than that on which I was confirmed as Munsiff. But I beg to point out the important fact that they have been appointed as Munsiffs long after I was confirmed as such.

Before reorganisation the initial pay of the Munsiffs was Rs.200/- and that of the Second Grade Magistrates was only Rs.150/- and after the reorganisation the Munsiffs' initial pay remained the same, the Magistrates' being increased to Rs.250/-. I believe this was one of the reasons for the amount of difference in the pay drawn by myself and the above two gentlemen.

Taking all these into consideration, I beg to represent that my place in the cadre which has already been fixed should not be affected by the recent addition of these two gentlemen.

This principle seems to have been recognised and given effect to when Special First Grade Magistrates were appointed as Sub Judges. I also understand that when the Munsiffs were appointed as Assistant Commissioners, they were given the last rank in the cadre of Assistant Commissioners, the excess in their pay being treated as personal allowance.

I request the same principle may be followed in the present case and that the two gentlemen added as Munsiffs may not be placed above me. Otherwise great and undue hardship will be caused to me by my losing the few chances of promotion that may arise in the future.

I request you will place the matter before the Honourable Judges of the Chief Court for their kind and favourable consideration.

Copy of representation submitted by Mr. B. Ramanna, Second Munsiff, Mysore, dated 30th July 1926, to the Registrar, Chief Court of Mysore, Bangalore.

I learn from the last issue of the Gazette that Messrs. A. R. Ganjami and S. Krishna Murti have been included in cadre of the Munsiffs, It is not clear however what their place in the cadre will be.

The date of promotion to their present pay Rs.300/- is 5-10-25 and the date of promotion to my present pay Rs.300/- is 1-11-25, the difference being less than a month.

As Magistrates they were confirmed on 12th April 23 with retrospective effect from their dates of appointments, and I also beg to point out the important fact that they have been appointed as Munsiffs long after I was confirmed as such.

Before reorganisation the initial pay of the Munsiffs was Rs.200/- and that of Second Grade Magistrates Rs.150/- and after reorganisation the Munsiffs' pay remained the same, the Magistrates' initial pay being increased to Rs.250/-. I believe that is one of the reasons for their drawing their present pay earlier than me by a few days.

Taking all these into consideration, I beg to represent that my place in the cadre which has already been fixed should not be affected by their recent addition.

This principle seems to have been recognised and given effect to when Special First Grade Magistrates were appointed as Sub Judges. I also understand that when

9

Munsiffs were appointed as Assistant Commissioners they were given the last rank in the cadres of Assistant Commissioners, the excess in their pay being treated as personal allowances.

I request the same principle may be followed in the present case and that the two gentlemen added as Munsiffs may not be placed above me. Otherwise, great and undue hardship will be caused to me by my losing the few chances of promotion that may arise in the future.

I beg to state that my case is quite similar to that of Mr. G. Krishna Murti, B.A., LL.B., who is now a Munsiff at Hole-Narsipur. By a kind reference to the Civil List it will be seen that this Officer was first appointed as a Special Magistrate on 20th December 1918 and was subsequently taken to the Civil line as a Munsiff on 8th September 1921. He was not, however, deprived of his relative rank among the permanent Munsiffs as a consequence of the interchange from the Magisterial to the Civil Line. I, therefore, pray that the same analogy may kindly be applied in my case also and orders passed in the light of the above facts and I may be given my due rank below Mr.T. Shamiengar and above Mr. B. Ramanna. If, however, the above prayer is considered to be impossible of being complied with, the only alternative left for me is to take up the option of reverting to the Magisterial Cadre as I cannot possibly make up my mind to be placed below all the Munsiffs who have already been made permanent. I request in the latter case that I may kindly be given Civil Judicial training by

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, BANGALORE.

Sir,

I am directed to forward herewith a memorial dated the 26th February 1927, addressed to you by Mr. S. Krishna Murthi, B.A., LL.B., Special Second Grade Magistrate, French-Rocks.

I have the honour to be
Sir,
Your most obedient servant.

For REGISTRAR.

To

The Chief Secretary to the Government
of H.H. the Maharaja of Mysore,
Bangalore.

Through:
The District Magistrate,
Mysore District,
Mysore.

The humble memorial of S.Krishnamurti Special Second Grade and First class Magistrate,Frenchrocks,most respectfully showeth:-

1 That he had practiced with distinction at the Mysore Bar for seven years before he was recruited directly to his present appointment of second Grade Magistrate on 2-1-1920 and that in the meanwhile,when he had completed Five years of practice,he sat for the Competative Examination for the selection of Munsiff's held in April 1918 and stood 5th in the order of merit.

2 That the candidate who stood 3rd (viz Mr.G.Krishnamurti) was appointed as 2nd Grade Magistrate from 20-12-1918, that Mr.T.Shamiengar,who stood 4th,got in as a Munsiff from 8-11-1919,that the memorialist (who was 5th)was next appointed as a second Grade Magistrate from 2-1-1920,while two more Candidates, viz, Messrs U.D.Narayanamurti and D.Raghavendra Rao, (who were 6th and 7th) were appointed as Munsiffs from 28-3-20 and 21-8-1922 respectively; this showing that no distinction ever existed between the two cadres and that the candidates who passed the said competitive examination were appointed to vacancies in either cadre as and when they occurred.

3 That the memorialist would surely have got in as a Munsiff on 28-3-1920, in the vacancy given to Mr.U.D.Narayanamurti,even if he had not been taken as Second Grade Magistrate on 2-1-1920, but that he did not hesitate to start as Second Grade Magistrate since G.O.No:11053-cts-247-18-1,dated 17-11-1919,which fully promulgated the scheme of Separation of ---

of Judicial and Executive Functionsnot only made 2nd Grade Magistrates Co-ordinate in salary and Grade with Munsiffs but also laid down in the clearest terms that the two services were interchangeable and that Munsiffs were liable to be sent out to work as Second Grade Magistrates.

4 That the said co-ordination and interchangibility were actually recognised and given effect to in the following instances:-

(i) Mr.T.Singravelu Mudaliar (Munsiff)was posted as Second Grade Magistrate and he worked as such at Closepet for over two years up to 14-2-1921.

(ii) Mr.G.Krishnamurti,who joined service as Second Grade Magistrate on 20-12-1918, was after --- nearly three years,taken in as a Munsiff on - 8-9-1921 and was given his due rank among the Munsiffs taking the date of his entry into service as the cretarion and not that of his change to the Civil line.

5 That,being the only other candidate appointed as 2nd Grade Magistrate out of those that passed the Munsiffs Examination,the memorialist had just grounds to believe that his legitamate place was all along among the Munsiffs and that the circumstances so far referred to assured him that his rank among the Munsiffs would be that due to him on the date of his entry into service whenever he got the actual change.

6 That Government had been urging on the Gracious attention of the Chief Court from the 2nd year of the memorialist's service the propriety and desirablity of taking him in as a Munsiff,that the Chief Court too viewed the said proposal -- favourably all along,that all this created hopes in the memorialist's mind during the last six years that his change to the Civil line was close at hand,but that for reasons beyond his control the question of his change did not assume a practical shape till very recently.

7 That it was only on 15-7-1926 that a notification was

was issued directing the memorialist and Mr.Abdulrahim to be included in the cadre of Munsiffs, that the said notification purports to have been based on G.o.No.P.5477-87-cts-236-5-3 dated 24-4-1926 and that Government and the Chief Court have subsequently came to the conclution that these two officers should either agree to be placed below the Munsiffs who have already been made permanent or to revert to the Magisterial line (vide letter No:P 3256 cts dated 12-1-1927 from the Secretary to Government, Law Department, to the Registrar, Chief Court).

8 That the G.o.last referred to(Non P. 5477 cts) -- which is the outcome of the recent creation of a lower cadre. (viz Third Grade) among Magistrates cannot effect the interests of 2nd Grade Magistrates who had the assurances of previous standing orders and of the examples of co-ordinate -,- officers to whom such orders had been applied.

9 That in-as-much as, under G.O.No 11053 cts 247-18-1 dated 17-11-1919, the Chief Court was consulted before recruiting the memorialist and Mr Abdulrahim directly from the Bar as 2nd Grade Magistrates, these two officers were throughout really Munsiffs seconded as Magistrates, that the recent notification referred to in paragraph 7 above only gave formal recognition to this fact and that the delay of over six Years in formally noticing this fact cannot affect the said officers adversely.

10 That the present decision to give the memorialist the last rank among the Munsiffs has the effect:-

(i) Of a heavy penalty, since it leaves out of --- account the fact that he would automatically have been a Munsiff of nearly Seven years standing from 28-3-1920 in place of Mr.U.D.Narayanamurti, as shown in paragraph 3 above.

(ii) Of giving preference to the two Candidates (viz Messrs.U.D.Narayanamurti and D. Raghavendra-Rao)who ranked below him in the Competitive Examination and were appointed after him.

and

(iii) Of placing him above him four other Munsiffs who were appointed long after him.

11 That in view of all the facts submitted so far the case of the memorialist is quite peculior and distinct and that he has therefore to get his rank above Mr.B.Ramanna, whatever may be the questions involved and the decisions arrived at in the case of other Magistrates who have to get the change.

12 That the present decision to place the memorialist below six of his junior Munsiffs not only disheartens him and tells heavily on his future but also practically deprives him of - seven years of appreciated service culminating in his being selected as the Special Magistrate for trying and disposing of the Honnur Rioting Case, which is said to be second only to the Kannegal Riot Case.

The memorialist therefore humbly prays that an equitable and generous view may be taken of the hardship and disappointment resulting from the present decision about his rank among the Munsiffs and that Government may be graciously --- pleased to reconsider the said decision and to pass orders conferring on him the rank that is justly due to him with reference to his salary and to the date of his entry into service.

(THROUGH THE DISTRICT MAGISTRATE, BANGALORE DISTRICT, BANGALORE.)

Sir,

Most respectfully I beg to submit this my humble memorial to the Government of His Highness the Maharaja of Mysore, in the firm belief, they will be pleased to consider it favourably.

41-364/26-27

2. I was enrolled as an advocate in 1912 and practised in that capacity for about seven years till 24th December 1919 when I was recruited from the Mysore City Bar and appointed a Second Grade Magistrate in consultation with the Chief Court at the same salary as that of a Munsiff, viz., Rs.150-200-50/3-400. Subsequently the Government revised the scale of pay of the Assistant Commissioners, Munsiffs, and Magistrates, and I began getting an annual increment of Rs.25/- just as a Munsiff; and being already a Second Grade Magistrate drawing Rs.250/- a month, under the old scale, (Government Order No.P.5452-3/Cts.159-23-2 dated Bangalore, the 28th March 1924) was allocated in the new grade (sanctioned in the Government Order No. P.1974-2038/Cts.21-22-6 dated 5th October 1923) and shown as Second Grade Magistrate, drawing a salary of Rs.250-25-450 per mensem as opposed to that of a Munsiff viz.,Rs.200-25-450 under the new scale. The revised scale, being made to operate on certain equitable principles, benefited the Magistrates and Munsiffs alike. My initial salary of

Rs.250/-

42

Rs.250/- having been earned under the old scale corresponding to the then Munsiff's grade, in effect, I have been getting the same pay through out as that of a Munsiff appointed on the same date as myself.

3. The Government Order (G.O. No.11053-63/Cts.247-18-1 dated 17th November 1919) governing my appointment created only two Grades of Magistrates viz., First Grade Magistrates at a salary of Rs.500-50/2-600 corresponding to the Sub-Judges' Grade, and Second Grade Magistrates at a salary of Rs.150-200-50/3-400 corresponding to the Munsiffs' grade, and the two services being co-ordinate in all respects, the said order, made them inter-changeable in the case of Magistrates recruited from the Bar and held out hopes that the latter had to look to the Civil Judicial line only for their future prospects. In confirmity with this order, Mr.T.Singaravelu Mudaliar, B.A., B.L., a Munsiff was posted to Closepet as Special Second Grade Magistrate and Mr. G.Krishna Murthi,B.A. LL.B., a Special Second Grade Magistrate as Munsiff.

4. Myself and Mr. G. Krishna Murthi, B.A., LL.B., who have been special Second Grade Magistrates were also taken to the Munsiffs' cadre in pursuance of a Government Order (G.O. No.P.5477-87/Cts.236-25-3 dated 24th April 1926) but unlike Mr. G. Krishna Murthi, B.A., LL.B., we have been, unfortunately placed below all the permanent Munsiffs appointed at a later date and drawing a lower salary than ourselves. (Vide letter No.P.3256/Cts. dated 12th January 1927 from the Secretary, Law Department to Registrar) I beg to say my proper place in the Munsiffs' list is immediately below Mr. T. Shama Iyengar, B.A., B.L., Mr. G. Krishna Murthi was appointed a Special Second Grade Magistrate on 20th December 1918 and was taken to the

Munsiffs

163

Munsiffs' cadre on 8th September 1921. A kind reference to the Civil List will show that he has been given his rank to which he was rightly entitled. I submit there is no reason why I should be treated differently from Mr. G. Krishna Murthi governed by the same conditions as our appaurtanents are. My case is identically the same and it may kindly be considered in the same liberal spirit and I may be given my proper rank in the list of Munsiffs just as he has been given his.

I have the honour to be,
Sir,
Your most obedient Servant,

Abdur Rahim

Special Second Grade
First Class Magistrate.
